

ICPC International Collegiate Programming Contest // 2024-2025

The 2024 ICPC Latin America Contests

ICPC Latin American Regional Contests – 2024

November 9, 2024

Time Limits for the Warmup Session¹

Problem	Name	Time Limit Per Test*
A	Blackboard Game	0.5
B	Daily Trips	0.5
C	Deciphering WordWhiz	0.5

Output size limit for all problems: 1MB

If your submission generates more output than this within the problem's time limit it will receive a Runtime Error verdict. Note that output to stderr also counts towards this limit.

* Note that this year time limits do not depend on the programming language.

¹Times are given in seconds.
